

Raised Baptist

Message received:

Fired in Four Days in Ethiopia

Things are happening too fast in different places in Africa to update all in every particular... Only in Heaven will we be able to know what kind of movement God has been involved in!

Pastor Genemo (a respected pastor, professor, and for two terms a conference president), had taken the challenge of going through the five videos at RevelationWithDaniel.com/questions. Since Genemo has spoken plainly to the people in Ethiopia at, for at least now, his last conference camp meeting. His interview video went public when he told me that it could (the Sunday after finishing the camp meeting), and by Thursday that week he was called by the conference and told that his job was finished, his services would no longer be needed.

Why? They wouldn't tell him, but it was because he preached along side Tibesso and me (shown now publicly in the video online).

A Word from London

Message received:

“Thank you for your ministry. I would like to know what is the Bible app you are using in your presentations. Do you have instructions how to use it. Thank you so much

PS can it be downloaded to an iPad, I don't have a computer. ... from London U”

Plenty is Happening

I was in India, headed to Canada, went to Maine, Tennessee, and spent four days in France all in 30 days!

Also, while in the hotel while heading to Canada I got a call of an invitation to a Revelation session for a long weekend in TX. That morning I also got a contact from TN (not far from my home, relatively) through LinkedIn where someone is watching the videos... 🙌 We will meet soon to eat. That next day I was speaking with someone who wants a long weekend session in Montana!

Whew! May God be praised for how many people are excited about learning more and sharing with their associates!

10,000 Books in Kenya and SO Much MORE!

With the various areas of the world where ministry for God is going forward in theological concert, I can't recall everything, neither am I told even a small portion of what is actually going on. BUT, I have learned that books are being distributed digitally, personally with hard books, and tracts are published. 10,000 books in Kenya have just been distributed (in an area where people really want something to read), the 50 Questions leaflet about the trinity are now being distributed in French, and in Ethiopia (just a few days before the termination of Pastor Genemo) got the books that we helped with a good while back—and it's all in God's timing... =)

Baptism and Camp Meeting Pictures Next

Kenya, on the left, saw many baptisms with Pastor Earnest Onyango, working along with Elly. We are helping them restore an office building whereby they will be able to film videos and have an office location. God has blessed them.

Camp meeting in Canada where several families came together to be blessed in learning end time events in preparation for Christ's very-soon return. Thank you so much Paul and Cheryl, and may God bless all the children!

A Family in Nigeria

Message received:

“A whole family in the conference Church here just accepted the One True God message. God has been working in the lives and arranging it... they have different heart breaks even their daughter here is going through trauma from the mistreatment from the conference here 💔... but God has begun to restore life and health to the home. Their father also, who was an alcoholic ,by God's help stopped taking it. He has since been the nicest husband and father since. hallelujah”

Civil and Religious Trouble in Kenya

I don't know many details, but there is a big picture going on in Kenya at this time. A group of fanatical religious people in the coastal region decided they would fast from food together as a group. Around 100 of those people died, and the civil authorities wanted to squelch any other happenings like that, so they implemented laws for religious protections. Here is a list that was sent to me of people who have been taken into custody (not sure if they are still there or not).

This is proof that we are seeing and about to see many strange things taking place in this world. Get ready for God to work...

***“It is time for thee, LORD, to work:
for they have made void thy law”
(Psalms 119:126).***
