

More from a Pentecostal Bishop

A message in response to last month's newsletter:

“Thanks man of God, my name is _____ a Pastor from Kenya. I had been very keen on your teachings and missions work and as a Pastor of church with a population of around 80 to 100 people in _____, i must say that am being blessed by your work and using some of your materials in teaching the congregation.

You're a blessing to us and we are praying that whenever you come to Kenya again, find time and teach our congregation of _____.”

Same pastor, later:

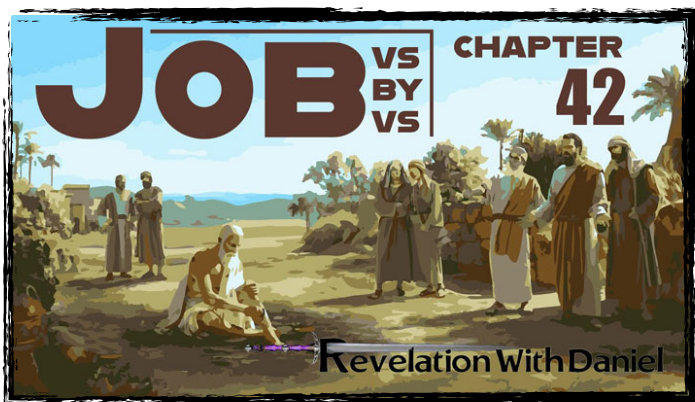

“Thanks man of God for this recorded teachings about God the Father and the Son. Although its long but am happy to have listened to it and today taught the congregation on this topic.

Am again going through it for the second time as i want to master it.”

Amen!

Finally Finished the Book of Job!

Here's comment from the vs x vs series of the book of Job (found in the YouTube playlists)

“For me, Job is a very emotional book. Many personal thoughts with Scripture's going on in my mind. We can be seen by others as salt of the earth, or salt on a wound. I'm encouraged that Job still holds fast in his clear conscience. Psalm 51:7 “Purge me with hyssop, and I shall be clean: wash me, and I shall be whiter than snow.” As you said, Daniel... had they thought to realize Satan is behind this mess, it would have went down much differently. Great study
 👍 Happy, Joyful, Peaceful Sabbath day ❤️😊 “

Tibesso Continuing Forward in Ethiopia

As you may know, I am looking forward to being in Ethiopia later this year, and praying for the work to be even greater than it has been thus far. Tibesso and I started working together many years ago (starting off with conversations), and the work was almost dehydrated at that time there in Ethiopia. Barely a blade of grass could be found, but today?! It's been raining in spiritual storms over there and the amount of work they are doing now is truly exciting! God has truly raised up Tibesso, Pastor Genemo, and others to be troublers in Israel...!

A Surprising Number!

One of the pastors I was able to interview has been really working hard to share the gospel with those who are near and far. Praise God for His providence, as we were able to help with a TV, sound system, generator, and other equipment for that purpose, and so what has been the result? People have gone through the five videos from RevelationWithDaniel.com/questions that inspired the pastor! That same pastor suggested that I bring completion certificates for those who have gone through the course, and so I printed out a bunch of them. (Providentially, my mother just 'found' two 25-in-each packages of blank, ready to print, certificates only two weeks before while gathering some materials to sell for the Bibles in Kenya.) Anyway, I finally got the number of persons who had gone through the five studies... it's a list of 37 people!

To my current understanding, that includes eight pastors. Do keep praying, as God is working!

A Word from a Former Drunkard

A comment from YouTube regarding the work in Kenya:

“The One True God message is spreading like bushfire in Kenya, I am Kenyan and i can tell you for a fact, the spirit of God is working marvelously here. Myself i heard this message in the times of covid and i ran with it, before that time i was not even a churchgoer, i was a drunkard and all that.”

A Series of Letters from a Liberian Pastor

I can only praise God for a new friend of the faith in Liberia! (I had to look it up...)

“Dear Pastor Daniel, Greetings from Liberia, West Africa. I am Bishop (12 pastors) with several Churches, One Orphanage, and a rural Christian school. I have followed you, and learn much about your teaching. I am convinced that the Sabbath doctrine is purely Biblical.

Please extend your Church to Liberia through our Ministry. Yes, we will be very glad to bear and use the full name of your Church in Liberia, West Africa. Yes, we are kindly inviting you to Liberia to do training seminars for our Pastors and Workers.”

**"My dear Pastor Daniel,** Good morning, and greetings from Liberia, West Africa. Yes, Certainly, I listened to and watched the full video teaching on God the, “Father”. I am referring to your teaching on the "Father" as a new revelation, and inspiration to me. These teachings provide me with deep understanding, and I must thank you.

Yes, God the Father, His Son Jesus Christ, the Holy Spirit, His Beloved Son, all you taught on by inspired interpretation based on the Bible. Hence, Paul referred to Timothy as his, beloved Son.

You said, God is not mystical, but he is God of the Bible. Yes, you said God is pleased in the Son. Thus, One God, and a mediator between One God, and man. The Living God is the Father.

Pastor Daniel, thank you. It is God that led me to you. I will be humble to learn the truth of God's word from you. Please come down in Liberia, and teach us.

The other Videos I will listen to, and fully update you.”

"Pastor Daniel, Good morning from Liberia. Yes, your teaching on the" Son Of God" is an inspiration to me, and very informative Biblically. Now, "God the Father, and the "Son of God," are of inspiration to my Ministry.

Pastor Daniel, Do you have hand out notes on these teachings? I need these in my library, and even all of our Pastors. I will continue to listen to the other three videos.

Your teaching will benefit, and inspired many in Liberia when you come.

~~~~~

**"Yes, my dear Pastor Daniel,** not only are they [*his local elders and fellow pastors*] interested in your attendance, but they want to learn new Biblical truths from you. They listened to two of the videos with me, and they got so inspired by your teaching.

Please come to Liberia, the hunger for the Word of truth is demanding. Bibles and teaching materials are lacking. Liberia has 15 major political cities, and maybe on your next trip to Liberia, we need to reach some of them with the truth of God's word that is entrusted to you, my Pastor."

"My Pastor, Good morning from Liberia, West Africa. I hope that this message meets you and your family well.

My brief Testimony:

My name is, Bishop Dr. Josiah K. Pah, Sr., a native of Liberia, from the Grebo tribe, Southeastern Liberia, West Africa.

I am married to Ernestine Duncan Pah, and we are blessed with Seven Children. I had two Children before meeting my wife, and there are nine Children, and eight grand children.

I came to know Christ through The Church of God in Christ here in Liberia. I have attended seminaries, and became a full time Church Planter.

Pastor Daniel, through my Ministry I met several Ministries, and individuals who have deceived and misled our Ministry. Here in Liberia, we are left with twelve Congregations, One Orphanage, and a Christian school, both are in rural Liberia. About two days drive away from Liberia.

About a year ago we lost our Church facilities and residence to court action, as it was a wrong person who sold the property to us. Right now the Church in Monrovia is meeting on a rented land, and my family and I are living in a small house not to standard. Nearly we are at a zero ground level.

Pastor, I have served Liberia in several positions in Government, but yet never sought out for riches.

Positions served: Member, Liberia House of Parliament, Vice President for Administration, AME Zion University, Monrovia, Liberia. Member, Constitutional Reform Committee, appointed by President Ellen Johnson Sirleaf. Chairman of the Board of Directors, Liberia Petroleum Refining Company, Appointed by President George M Weah. Member, Board of Directors, Liberia Electricity Corporation, Appointed by President George M Weah.

My Pastor, I believe and stand for humility, and servanthood.

Yes, my family and I are convinced that the Sabbath is real, and Biblical, but have never met the right Sabbath keeping group. Hence, since we met you we are very comfortable, and are happy to be a part of your ministry. Yes, please welcome to Liberia, West Africa... Bishop Dr Josiah K.Pah, Sr.
