

## Pentecostal Pastor George through YouTube

“Greetings in the Name of our Lord Jesus. I'm Pastor George \_\_\_\_\_ from Kenya and I have been following your Bible teachings after I had gotten your link from Pastor Philemon and your teachings from the Bible has really changed my life and my perspective on the word of God. I'm humbly requesting if I could be having an interview with you man of God Dr. Daniel. I'm ready to be interviewed by you man of God after such a wonderful teachings from the Bible.”

**Dr. Daniel? LOL!**

*(I've explained to him that I am not a doctor, and he laughed saying that he knew that, but that's what his family calls me. They also call me prophet or reverend... ! Depending on who you speak with! Smiling...)*

## Pentecostal Bishop Philemon with a Broken Computer

I was speaking to one of my new pastor friends on a WhatsApp phone call (overseas), and he had just broken his computer while trying to do a video training for seven of his pastor friends. Amen! I called because he had texted me that information, and sure enough, he was driving to the nearest town to get the computer fixed to be able to get back to the pastors and show the videos the next day. After hearing him out, I let him know that God through me would purchase a projector, a computer, and a screen for him. He was elated! So much so that he was rubbing the top of his head with one of his hands, smiling broadly and laughing while saying that he would be able to train pastors and bring the projector out to the fisherman and preach to them outside, he would be able to... then he broke down into tears... He wept so long that he said he would call me back later. (They ended up with 35 people, over 80% of them pastors in the next few days in that church congregation!)

## Above were Two Followup Stories from Kenya

We had 38 pastors in Kenya for the short week we were there... they were mostly Pentecostal (several bishops, which means they are seminary educated and placed over other pastors), an Anglican vicar (called Father Absalom, in order to be called a vicar you need to be working full time as a minister—and he lost his job within days), a priest and a prophet from the Legion of Mary (who have had a couple congregations packed with people watching videos from the [RevelationWithDaniel.com](http://RevelationWithDaniel.com) ministry through YouTube). The vast majority of those 38 pastors are actively moving forward to share the truth they have learned and are excited!

We've provided some computers, projectors, screens, speakers, mics, mixers, and other equipment to share the truths they have learned, and they are dedicated. I get a hundred communications per day through WhatsApp, with questions, videos, pictures, comments, plans, praises, etc. It's amazing...

Pray for these dear people! Many of them have lost their jobs, but are still moving forward doing what God has called them to—full time ministry without pay. Don't worry, this is where God steps in to provide for His children as He always has. 😊

## Storm for Youth After Leaving Kenya

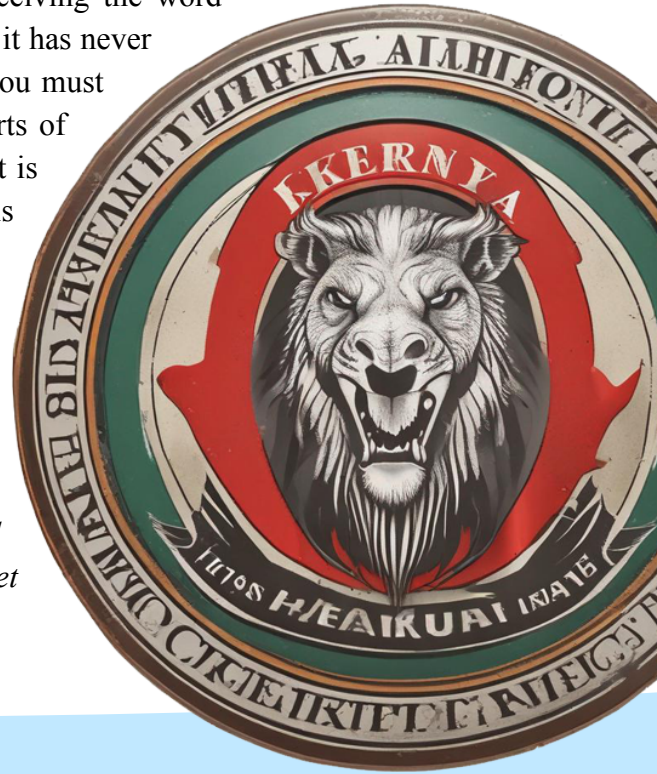

The youth were told to stay home from school by their local governors because of the major rain storms there in Kenya. One of the pastors, Bishop Samwel, decided to call them for training. It was less than one week after I left the area that they youth decided to take the call to binge watch the videos instead

of playing football (soccer) or other things that normally take up the time of the youth. There were twelve of them and they made a video thanking the American preacher! (You could find the video on YouTube posted on May 2nd, 2024.)

## A Word from the Former Secretary for the Region

"My brother take it from me I was elected as the region secretary of Pastors and Bishops fellowship across the region. I had never seen something that brings Pastors and Bishops together like what is happening now. Imagine they are receiving the word positively and they sit down to listen. Man of God I tell you it has never happened. Even though you haven't told us, but I believe you must have been praying about this and God is softening the hearts of people. Imagine the youths are leaving football (that is what is happening during holidays) so that they may listen to this message and take it with them. I see a big explosion in this, and I believe God is with us in this. Remember as we go out, let's pray for one another that the message may be received with Bishops and Pastors the way we are seeing them come. It has never happened like this before and I believe God is the force behind the spread of this work."

*This is the kind of spirit we need. One that is overwhelmed with excitement to share God's word with those who do not yet know.*

## A Story of a Baptist Minister

A Baptist Minister (Pastor Tom) called me asking what I was doing in Kenya and hoping for support for his school. He had heard that I had trained pastors, but then I had some thoughts... =) He has trained 150 pastors, training them per month throughout the years. I told him I would be interested to support if he would go through five videos and have an interview with me. The first three videos he has seen made him very excited. Pastor Tom finally said, "Praise the Lord pastor Daniel, I'm very thankful for this great teaching 🙏 I had finished the five videos. I will be teaching this in every bible school semester for two years. I will be taking one lesson every month for 24 months, for the three classes." I've been working with him and he is moving forward with great fervor teaching what he has learned! There is more in store! We interviewed together a short time ago. What an amazing testimony! Coming out shortly...

## From a Liberian Pentecostal Doctor/Pastor

"My dear Pastor Daniel, ...

My interest is to study the full truth of the Bible with you. Pastor, my knowledge, and understanding is that deeper when it comes to the Sabbath, Prophecy, and more relevant Biblical truths as you do. Hence, I will submit and be humbled to be teachable, and learn, and I am sure all my other Pastors will do as well. Please set a time that you could do an interview with me on the five Videos.

Most of our Pastors are spread in rural areas in Liberia, but only few are located in Monrovia with me, about seven of them. What do you think? Do you want to meet them before coming to Liberia? In like of the Conference teaching topics, please, let the Holy Spirit direct you what to teach us. But please know that we will need all that you have outlined in your short video to me. Pastor, all of the topics that you mentioned in the video are all Biblical truths, many of which I never heard, and I am sure all of the Pastors as well. I have been a seeker of Biblical truths, and it is not a mistake for me to meet you. You, and all the Truths I will hold fast to. Please pray for me, I need the Truth." *Signed, Bishop Dr Josiah K. Pah, Sr.*

## Pentecostal Pastor Monye George

"Praise God my spiritual father and mentor. Your spirit of teaching the truth from the Bible has entered into my heart fully and I must just teach what I did receive from you in Jesus mighty name. 🙏❤️"

## Prophet Paul from the Legion of Mary

"I have listened to the teachings on death with my wife and these are the conclusions we have gotten from the teachings:

- 1.The enemy deceives with miracle, 2.David never ascended to heaven, 3.No remembrance or thanks in grave, 4.The dead do not praise the Lord, 5.In death thoughts perish, 6.Just like clouds the dead vanish and will not return to their houses, 7.There is more hope to a tree than to someone who has died to live again, 8.Dust +breath= to a living soul, 9.Breath and spirit are the same, 10.Our breath not our soul always return to God, 11.God only has immortality.

We are great full for this revelation @RevelationWithDaniel. We now have understanding. God bless you 🙏🙏🙏.”

## The Wife of Prophet Paul

“O my God!! What a profound revelation!! Thank you God for connecting us with your servant! Am growing spiritually!! Glory 🙏🙏 What I will share to others in this teachings:

That if I am in hell then it is by my choice, not by God's. God wants me to be saved, God wants me to be in heaven. Hell is a place prepared for the devil and his angels, where he will go into everlasting punishment and the righteous will go into life eternal.

God has no pleasure in the death of the wicked.

1. Some will suffer greater than others. 2. Worshipping beasts and images=God's wrath. 3. Hell is on the earth and the people are devoured. 4. Hell is lake of fire which is second death. 5. The last enemy to be destroyed is death. 6. After hell God will recreate the earth. 7. Sodom and Gomorrah suffered eternal fire. 8. Jerusalem suffered fire not quenched. 9. Fear God He destroy body and soul in hell. 10. Rich man and Lazarus was a parable on Jewish nation relating to the gentiles. 11. The dead rest and hear not the oppressor \_Job. 12. The proud will burn and will be ashes under the soles of our feet.

Be blessed M.O.G @RevelationWithDaniel . Glory to God 🙏🙏”

## Anglican Vicar Absalom

Praise God Pastor Daniel. I'm back at Ratanga now. I bought the gadgets and the courier is yet to bring them since the roads are impassible due rains. It's by the grace of God I've met two of the leading Pentecostal Bishops whom we used to share podium in government functions. They have accepted the teachings. I wanted to capture them in a clip but they said no. I gave them time to call 8 leading Bishops at a hotel on Thursday, 9th or May starting from 10 am to start the teachings together. These are prominent Clerics who command a huge following of over 100 Churches. I tell you this is a big catch. These are the same people who disowned me, these are the real Antichrist I was praying for God to give me breakthrough on them. They are ready to drive to a hotel in Homabay town which is a bit far away from congregants. Remember Nicodemus sneaked to Jesus. I'm seeing God taking the teachings to another level. Its going to touch even the prominent Government official, one of them has promised also to attend.

## Oh! And the Bible House is Finished!

We've been able to order Bibles, purchase a motorcycle, hire a part time workers to keep the orders flowing, and wow... Praise God for Elly and all the workers! Praise God for you all in all that you do in the work of the Lord—we are co-working with God to a.c.t.u.a.l.l.y. see the latter rain falling!
